## Parent Teachers Students Association

The PTSA membership drive brought in more members than the organization has had in several years. This was accomplished by having a contest among the first period classes. The first three classes to reach 100 per cent membership were given free passes to all school activities for the entire school year, except for athletic events. Student Activities Director Frank Garcia was in charge of the membership drive.

Each year during the southwestern Rodeo Week a contest is held among the students to name the best dressed students. The winners of the contest receive free Rodeo tickets. The students were released from school at 2:30 p.m. Feb. 2, so that they could attend the Rodeo parade in downtown El Paso. This year more students than usual participated in the return to the days of the old West. Many students also attended the live stock show also held in the barns on the property joining the El Paso County Coliseum.

One of the most sought after honors in the year is to be elected to Who's Who by the faculty. These students are outstanding in their department and the faculty members meet to make a decision. An alternate is also chosen. In case a student is chosen in more than one department,

then the alternate is selected to represent the department. In this way, more students receive recognition. In fact, this year several of the students were selected from more than one department. This shows that students who are outstanding, are usually outstanding in all of their

studies. It is customary to select graduating seniors for this recognition, if possible. But if for some reason the faculty members do not feel that the honor should go to a senior, then a junior is selected. This year there are two juniors on the list.

The official OEA emblem, selected by the student members, has a profound and significant meaning. The four points of the shield stand for Ambition, Leadership, So-

ciability, and Poise. The shield itself stands for the honor and dignity of the office profession. The quill and inkwell represent the stability of the office through

the ages. The stripes represent direction; and the letters OEA stand for the name of the organization.

### OEA Pledge

We are met in a spirit of friendship and goodwill as we prepare for lives of service in office occupations. We work together to attain the goals of OEA and pledge our loyalty to our nation.

The Office Education Association is the name of the club in which members of the VOE pre-employment Lab belong. The VOE Lab is a two hour class that is offered to students to orient them to possible office job opportunities. It is a class where students develop the knowledge of business terminology and skills are taught in the operation of such business machines as the adding machine, calculators, duplicating machines and the transcription word-processing machine. The students also learn the various systems and methods of filing through simulated office job situations. They go through an actual job interview which helps the students to learn how to apply for a job, gives them experience, and teaches them what traits are considered desirable and will contribute to a successful business career. After one year in the VOE Lab a student should be ready for employment in an office occupation.

Coordinated Vocational Academic Education has a new coordinator this year Mrs. Karen Lowry. In order to be in the CVAE program, the student must be 16 years old and want to go to school for half a day and work the other

half a day. The CVAE offers a wide variety of job opportunities. Some of the jobs are food services, clothing factories, building engineer, hospital technicians, doctor's offices and these jobs are found to try to fit the stu-

dent, to the job. By working while still in high school the student is gradually introduced into the work world and the transition after graduating is not as difficult.

The Portuguese Club began in 1961, is one of the largest and most active. Bowie has the distinction of being the only secondary school in the U.S. to offer Portuguese. Projects include a booth at the Fiesta and a banquet and the next year's officers are installed.

Another highlight of the year is the initiation ceremony in which the members represent beauties from the various Portuguese speaking areas of the world. The club's Beauty and Escort are chosen. The club is a combination of fun and activity.

# Homecoming Bears Clobber Tigers 17-15

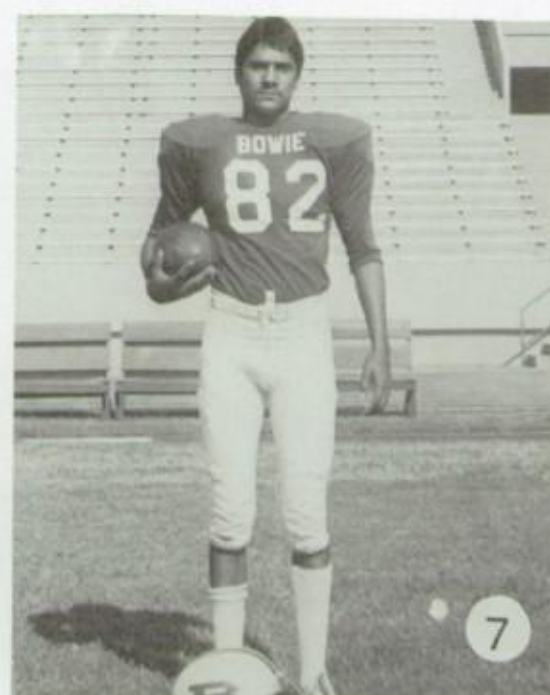

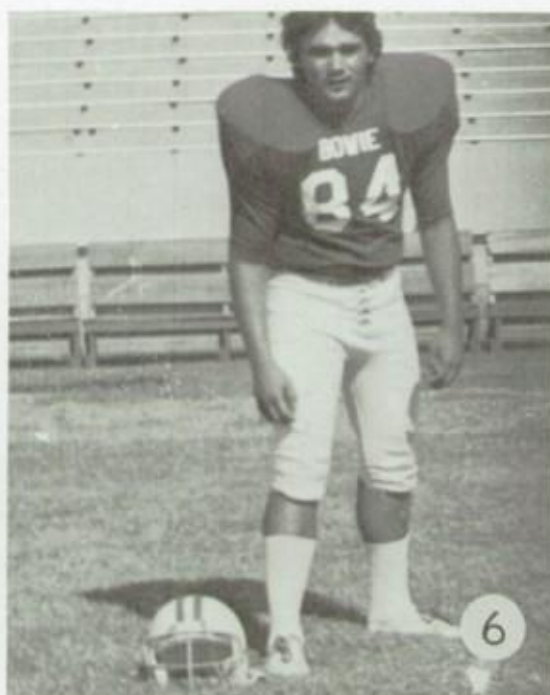

Bowie's Varsity Football Team was plagued with mistakes when they played against Address, Irvin and Austin. Against Address they played a pretty even game with a 7-0 lead after a Bustos score and the point after by Martin Ramos. Address ties the game in the third quarter and adds another 7 to win the game 13-7. Up against Irvin and Austin it seemed like a re-run type of game as the scores were the same with Bowie losing to both 17-6. The same mistakes were being repeated.

1. Danny Hernandez, 2. Martin Ramos, 3. Emilio Chavez, 4. Javier Urias, 5. Bears in the lead for victory. 6. DEFENSE! DEFENSE! the crowd yells as the game gets exciting. 7. # Cross Country Has Winning Year

The 1978-79 Varsity Cross Country team was the best one Bowie has ever had and the number 2 team in state. Coach Benny Brooks came to Bowie a couple of years ago to boost the Cross Country team from mediocrity to a genuine winner. The Varsity CC team went into the District Championships with 5 first places and 1 second place in its previous meets. The Bears swept the top notches and came out triumphantly in first place. At Regionals it was no different as the Varsity Harriers took first place and advanced on to the State meet as a heavy favorite. The Bears captured a very meritorious second place. Pointwise, they had tied for first place but lost the tiebreaker which gave Clearlake H.S. the edge over Bowie.

Varsity Cross Country Team: Alfredo Trejo, Rex Bear, Rickie Leon, Tony Camacho, Carlos Gonzalez, Jose Arteaga, and Richard Diaz. Pictured with their City Championship trophy.

B-team Cross Country Team: Ambrosio Fregoso, Robert Betancis, Enrique Rodriguez, Aurelio Martinez, Pedro Rodriguez, Rodolfo Aguilar, Walter Jones, Isidro Ramirez, Jesus Soto, Esteban Gonzalez, Mike Lara, Pedro Montanez.

Coach Ben Brooks congratulates Richard Diaz, top Cross Country man.

Miss Feneback  
you are a very nice  
teacher who I  
won't forget  
I hope you never  
leave Bowie  
Sincerely Jesus Soto

## Basketball Season Not Cracked Up

# To What It Should Have Been

Overtime games, outstanding individual plays, and fidgety fans were all part of the 1978-79 season. Lack of height and inexperience did not hinder the competitive Bears from pulling upsets on favored teams. However, an overall record of 12 wins and 18 losses and a district record of 1 win and 13 losses do not manifest the hard fought battles the Bears put up against most of their rival teams.

Coach Marty Slater and the Bruins were right in the thick of the race during preseason competition with a superb record of 10 wins and 1 loss. But as soon as district action burst forth, everything went downhill for the Bears, as Bowie went into a 10 game losing streak.

On opening night, the Bears played what would be a typical game for the rest of the season- a down to the last second battle and a shootout show by the Bowie guards. Bowie came out on top 35-

33 against Cathedral which unleashed a 5 game winning streak which surprised the city. Bowie was then recognized as a team with potential when the varsity basketball team upset Belair, who was predicted to have a very successful season and favored to cinch the 2-AAAA district title, 56-50 at the Highlanders' arena.

A second place trophy won at the Jefferson tourney was Bowie's next high point of the season. To get to the finals, the Bears first knocked off Fabens 68-35. Bowie then beat Jefferson 41-40 in the semifinals. In the finals Ysleta edged Bowie 56-50 to give the Bears a second place in the 3 day event. All tournament players were Pablo Lopez and Juan De Santiago.

Disappointment, was the name of the game during district competition as the Bears won only 1 game, against EPHS, and lost 13.

## Closing

There were times when completion of the 1979 Aztec just seemed impossible, but we were able to meet deadlines. We now realize that all the long hours were spent working on the yearbook were worth it. The yearbook treasures happy moments, honors, and Bowie High School's history. Now that the yearbook is completed I would like to thank the faculty, staff, and the student body for making this year's book a memorable one. You will find mistakes in the Aztec, but remember that we, the Staff, are not perfect and we tried to put out the best yearbook ever.

I'd like to thank Mrs. Mary Hellums, sponsor, for all her help, patience, and consideration. Also, to this year's Staff which assisted and gave me their cooperation and understanding. To Achilles Studio, where all the Senior pictures and features were taken, Chamizal National Memorial, El Paso Museum of Art, the Zoo and the Sheraton Inn.

Sincerely,

Julia Lopez

Dear  
 Tenenbook,  
 I really enjoyed  
 this year, and fast  
 of that you was meeting  
 you. I just wish you didn't  
 have to leave Bowil to go to  
 some other school. I really am  
 going to miss you a lot, because I  
 already got used to visiting  
 in Europe, or wherever you  
 summer teacher, because you can right away see all  
 my mistakes. It wasn't that I never learned anything  
 in your grammar class, it's just that it probably didn't  
 stick in my mind. I hope we keep in touch.  
 Tell, thanks a lot for  
 a student & friend
